

Risch, Simpson Announce State, Federal Grant Workshops for Local Idaho Communities

The Funders Fair workshops will bring local and state leaders together with experts on the Federal grant application process

Boise, ID – U.S. Senator Jim Risch (R-ID) and U.S. Representative Mike Simpson (R-ID) will host workshops in Eastern Idaho to help state and local leaders learn about and better utilize grants available from federal and state agencies. The Funders Fair workshops will feature lectures, webinars, and exhibits from state and federal agencies directly responsible for the grant application process. Events are free to the public. Register at
