IDEA SALUTES THE UNSUNG HERO'S OF THE CONSERVATION WORLD

IDEA is excited to salute District employees for the week of the Annual ISDA conference. We will kick off this celebration with an interactive workshop similar in style to local led work groups. We will network to find our biggest challenges, greatest triumphs and identify how we can provide additional future support.

IDEA LUNCHEON

Our annual luncheon will continue to focus on celebrating and thanking our district employees throughout the state! We look forward to seeing all of you in person for these two important networking events.
